Attorney Docket No.: 2003-0056-01
USSN 10/609,223

Remarks

Pursuant to a telephone interview with Examiner Andrew Lee at 12:15 pm PST on Monday, March 26, 2007, the Examiner objected to previously allowed claims 1 and 13 due the presence of the "adapted to" phrase. Applicant has amended claims 1 and 13 solely to remove this objection and not for any other reasons, and specifically not to define over any prior art. The amendments to claims 1 and 13 are not made with the intent to and do not narrow the claims in any way, the new language having the same meaning as intended by the "adapted to" language or else serving to broaden the claims from a meaning the Examiner apparently deemed indefinite to be more definite in the Examiner's view and thus cover what the claim would not have covered before, if it were to have eventually been ruled indefinite.

Applicants do not believe any fees are due, however if any fees are due, the Commissioner is authorized to charge the fees to Deposit Account No. 03-4060.

Respectfully submitted,

William C. Clay, Reg. No. 27,627
